

Delighted to welcome you to our new wine list here at The Wheatsheaf Inn Egton. Compiled after many hours of research and the occasional bottle imbibed in the process, we've freshened it up with some new and exciting wines from both the Old World and the New.

Every so often we're going to offer you a couple of guest wines, specially selected by Yorkshire Vintners to both complement the existing list and enhance the amazing local produce we have here on our doorstep.

Members of Spanish nobility, the Vilarnau family settled in this special place that is Penedes, and along with the vines have been here ever since the 12th Century.

Now part of the Gonzalez Byass family, the winery is very close to the most cosmopolitan city of Barcelona. Specialising in small scale, cutting-edge artisan Cava, this small winery shares its innovative, creative and dynamic nature with Spain's most avant-garde City.

The mosaic style label on both Cava labels, is synonymous with Catalans most famous son Antoni Gaudi, who used broken tiles and crockery to such dramatic effect.

We'd also like to introduce you to an outstanding Albariño.
